Section 2. Duties and Functions of the MHERT for Disaster Risk Reduction Management for Health

The MHERT for DRRM for Health shall have the following duties and functions:

1. With or without the list of arrivals from the Municipal Government (supposed to be given by the Bureau of immigration), conduct visits in the home of every arriving person(s) from coronavirus country;
2. Immediately list down the person(s) the arriving resident(s) came in contact with prior to his/her arrival in his/her residence;
3. Require the arriving residents to check and record temperature daily, in the morning and in the afternoon, for the duration the 14-days home confinement period. Advise the arriving resident(s) to watch out for any other symptoms of the Coronavirus like cough, difficulty in breathing, or shortness of breath;
4. Check on the condition of the arriving resident(s) daily from a distance of more than one (1) meter. In checking always wear N95 or surgical mask;
5. If symptoms are observed, immediately isolate and confine the arriving resident(s), now a Coronavirus suspect, to a room away from the members of the household prior to his immediate transport to a DOH-designated coronavirus referral center of hospital for further examination and treatment. Require the Coronavirus suspect to wear N95 or surgical mask. Place the rest of the household also under 14-day home confinement. Repeat the process for them, including contact tracing. If no signs manifest, report to the Municipal Health Officer for lifting of the 14-day confinement;
6. Report to the Municipal Mayor on measures or actions taken per arriving resident.

Section 3. Funding Requirement.

The Municipal Government shall appropriate funds for the operation and maintain of the MHERT for DRRM for Health subject to availability of fund, and usual accounting and auditing rules and regulations.

Section 4. Effectivity.

This order shall take effect immediately.
